Explanations	

We are proud to announce that 12 shopping centers and 3 office buildings within our portfolio have been awarded the "Outstanding" level certification under the internationally recognized BREEAM In-Use sustainability assessment system. In Türkiye, a total of 15 properties have reached this level, all of which are part of our portfolio. This achievement reaffirms our industry leadership and our commitment to developing sustainable buildings.

This certification is a testament to our smart and green building designs, which prioritize energy and water conservation and meet the highest standards of environmental sustainability. It also validates that our portfolio is managed in accordance with international green building standards.

We hereby present this information to the public.

This statement has been translated into English for informational purposes. In case of a discrepancy between the Turkish and the English versions of this disclosure statement, the Turkish version shall prevail.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
